VOTER INFORMATION CARDS HAVE BEEN MAILED

Voter Information Cards (VICs) are in the mail to all registered electors in Yukon. The VIC tells electors where they are registered, the ways to vote (by special ballot, at the advance polls, and on polling day), how to find information about the plebiscite, when and where to vote, and the contact information for their returning office.

Electors who do not receive a VIC, or whose VIC shows the incorrect information can register or update their address at electionsyukon.ca or by contacting their returning office. Electors can also register or correct their information at the polls or when applying for a special ballot at a returning office or online. Proof of address and identity is required.

Registered electors can also download a digital voter information card by going to electionsyukon.ca.

Electors are encouraged to bring their VIC when they vote, to support faster service at the polls. Returning office locations and contact information are also available at electionsyukon.ca.

Let Elections Yukon be your centre for electoral information. Get ready to vote!
